ABOUT US

Logistics training in one of India's port cities

Futurewings Academy for Professional Training and Placements is a training academy in Ernakulam South, Kochi, for aviation, tourism, hospitality and logistics careers, founded by industry veterans to close the gap between classroom learning and real jobs. Cochin Port, the Vallarpadam container terminal and a large cluster of freight forwarders, shipping agents and warehouses are a short drive from our campus.

FEES, PACKAGES & WHAT THE FEE COVERS

All fees include 18% GST. Where you sit in a course's fee range depends on the **certification package**: RSDCA (Regional Skill Development and Certification Authority), NSDC (National Skill Development Corporation) and SDCC (Skill Development Council Canada), singly or combined. Programmes are associated with Skill India, NCVET/NSDC and the Logistics Skill Council.

- The base package covers the full course; higher packages add certifications.
- The PG Diploma and the Professional Diploma are also offered with a laptop, or a laptop and an international trip to Thailand (top package only).
- Where a fee says "from", ask our counsellor for that course's exact fee.

- Classroom training at the Ernakulam South campus
- Industrial visits to ports, logistics hubs and warehouses, and industry talks
- The certifications in your package
- Placement assistance: CV preparation, mock interviews, grooming, industry talks, industrial visits, employer referrals
- Free career counselling before you join · **easy EMI**
